

## O. N. E. EXTENDED WARRANTY - T680 '17 EPA

For unit numbers ending in 17

### Basic Vehicle Extended Warranty 4 Year or 575,000 Miles

|  |  |  |  |
|--|--|--|--|
| Air Cleaner System (excluding filter)            | Electrical Printed Circuits  | Leveling Valves                            | Switches   |
| Air Dryer  | Engine Ether Starting system   | Mirrors                                    | Throttle Linkage & Cable   |
| Air Tanks  | Engine Fan   | Mounting Brackets and Bolts for above item | Towing (Includes Split Towing as required by state law to the nearest authorized dealer) |
| Alternator                                       | Engine Fan Clutch & Sending unit   | Mud Flap Brackets (excludes mud flaps)     | Trailer Hitch and Stinger  |
| Anti-Lock Brakes                                 | Engine Fan Shroud  | O-rings (excluding HVAC orings)            | Transmission Shift Controls  |
| Axle Housing Gaskets                             | Engine Heater  | Oil Coolers                                | Transmission Oil Cooler  |
| Batteries - PACCAR Brand                         | Engine Mounts  | Power Steering Box Assembly                | Upholstery   |
| Brakes - brackets, camshafts, spiders            | Engine Shutdown System   | Power Steering Pump                        | Valves   |
| Brake Chambers and Slack Adjusters               | Exhaust Stanchion  | Power Steering Reservoir                   | Vents - Fresh Air  |
| Brake Drums (except when scored or heat checked) | Exhaust System   | Power Take Off                             | Visor (outside and inside)   |
| Bumper   | Frame Fasteners  | Quarter Fenders                            | Weather Stripping  |
| Cab Corrosion                                    | Frame siderails, crossmembers & gussets  | Radiator includes header gasket            | Wheel Bearings (except seals and gaskets)  |
| Cab Fasteners (excluding huck bolts)             | Freon Leaks  | Seat Belts                                 | Window Defrost Fan   |
| Cab Heater & Ducts                               | Fuel Tanks (excluding finish)  | Seat Structure                             | Window Lift (including power lift)   |
| Cab Side Extenders (Kenworth brand only)         | Fuel Tank Straps, Cap and Vent   | Shift Controls                             | Windshield Washer  |
| Cab Suspension (including shocks)                | Fuel Water Sep.&/or Heater   | Shutter Assembly and Control               | Wiper Arms (excludes blades)   |
| Chassis Fairings                                 | Gauges and Sending Units   | Sleeper Boot, Shelves and Cabinet          | Wiper Motor  |
| Cab Water Leaks                                  | Heat Shields   | Smartwheel                                 | Wiper Control Valve  |
| Charge Air Cooler                                | Hood Assist Springs and Hooks  | Speakers                                   | Wiring and Connectors (including loose connectors and damage from convoluted tubing)     |
| Clutch, Clutch Brake, Clutch Linkage             | Horn - Air or Electric   | Starter and Series Parallel Switch         |  |
| Control Cables                                   | Hoses and Fittings (includes leaks, loose fittings, and rubbed lines; excludes trans. hoses) | Steering Arm                               |  |
| Cruise Control Components                        | Hub Assemblies (including bearings)  | Steering Column, Shaft and U-joints        |  |
| Deck Plate                                       | Hub Caps   | Steering Draglink                          |  |
| Door Latches and Locks                           | Hubometer  | Steering Pitman Arm                        |  |
| Door Pads and Soft Trim                          | HVAC System  | Steering Wheel                             |  |
| Drivelines, U-joints and Center Bearing          | Instruments  | Steering Gear & Mounting Brkts.            |  |
| Electrical Power Distribution Box                | Lamp Fixtures (excludes bulbs)   | Steps                                      |  |
|  |  | Suspension                                 |  |

#### Kenworth Inclusions & Exclusions:

HVAC includes all components of HVAC system, except receiver-dryers as primary failure, and other maintenance-related items.

Starter/Alternator includes starter and alternator only. Excludes mounting brackets and hardware.

Radiator/Charge Air Cooler includes Radiator assembly and charge air cooler only. Excludes leaks at hoses, hose connections, radiator cap.

KW Suspension includes brackets, beams and air bags. Excludes bushings, alignment and fitting air leaks.

#### General Exclusions under Extended Warranty:

Paint (standard warranty 1 YR/100,000)

Loose Fitting leaks, wiring & hose connections (covered under standard warranty 90 days/25,000)

Axle alignment (90 day/15,000)

Suspension Bushings (standard warranty 1 YR/ 100,000)

Receiver-Dryer as primary failed part number (standard warranty 1 YR/100,000)

#### Cab, Hood & Sleeper Structure:

Includes door hinges 3 YR/300,000

**Commet Preset Plus Hub:** 4YR/575,000

**FAO(F)16810S-EP3:**

5 YR/750,000 (seals 3YR/350,000)

**Transmission Warranty:** UltraShift 10  
Speed 5 YR/750,000 (seals 3 YR/350,000)

**Radio:** 1YR/100,000 - standard warranty

2-3 year TA files through Pana Pacific

**Rear Differential:** 5YR/750,000 (seals 3 YR/350,000)

**Refrigerator (Indel B):** 2 YR/200,000 filed direct Indel B. After 200,000 file with MHC

**Shock Absorbers:** 1 YR/100,000

**Wheel Seals in LMS Hubs:** 3YR/350,000

Monday - Friday from 7 am - 5 pm: (913) 324-7122 | After Hours: (913) 324-7159

## O.N.E. Extended Engine & Aftertreatment Warranty '17 EPA

PACCAR MX Engine & Aftertreatment Warranty 24 Month or 250,000 Miles or 6,250 Hours (Standard)

For unit numbers ending in 17

### Extended Engine & Aftertreatment Warranty 60 Months or 675,000 Miles

|   |   |   |                               |
|---|---|---|-------------------------------|
| Air Compressor  | Fuel Unit Injection Pumps                               | Humidity - Turbocharger Assembly  |                               |
| Air Inlet Pipe (Mixer or Venturi)                     | Gaskets, Seals, O Rings, Silicon Sealant                | Valves, Engine Exhaust and Intake   |                               |
| Bearings - Camshaft, Connecting Rod, and Main Caps    | Gears - All (Camshaft, Crankshaft, Idlers and Oil Pump) | Valve Cover   |                               |
| Camshaft  | Ladder Frame  | Valve Yokes (Bridge) and Pins   |                               |
| Camshaft Follower                                     | Oil Cooler Module (Replaceable Filter Not Covered)      | Vibration Dampers and Bolts   |                               |
| Connecting Rods, Caps and Bolts                       | Oil Fill Tube and Cap                                   | Water Pump Impeller Assembly  |                               |
| Crankshaft Ventilation Assembly                       | Oil Pan   | Water Pump Housing  |                               |
| Crankshaft  | Oil Pump  | Water Pump Seal   |                               |
| Cylinder Block Casting, Main Bearing Caps and Bolts   | Pistons, Rings and Liners                               | Failures of belts and hoses supplied by PACCAR are covered during the first year from the date of delivery of the engine. |                               |
| Cylinder Block Expansion Plugs                        | Rocker Arm Assembly and Shafts                          |   |                               |
| Cylinder Head Casting and Bolts                       | Sensor, Ambient Air Temp                                | <b>Engine Mounted:</b>  |                               |
| Cylinder Head Expansion Plugs                         | Sensor, Camshaft (Engine Position)                      | HC Doser Valve, Injector & Fuel Lines   Pressure Protection   |                               |
| Cylinder Head Gasket                                  | Sensor, Coolant Temperature                             | Back Pressure Valve   Lambda Sensor   NOx Sensor  |                               |
| EGR (Exhaust Gas Recirculation) Control Valve         | Sensor, Cranksaht Speed (Engine Timing)                 | <b>DPF Assembly:</b>  |                               |
| EGR Cooler  | Sensor, EGR Temperature                                 | DO Catalyst   DPF   Delta P Sensor   DOC Temp Sensors   | Aftertreatment Control Module |
| Electrical Harness Supplied with Engine               | Sensor, Engine Oil Pressure and Temperature             | DPF Pressure Sensors   DPF Temp Sensor  |                               |
| Engine ECM (Electronic Control Modules) - PMCI Only   | Sensor, Exhaust Manifold Pressure                       | <b>DEF System:</b>  |                               |
| Engine Brake System (PACCAR)                          | Sensor, Fuel Pressure and Temperature                   | Decomp. Pipe/Elbows   DEF Pump Module   |                               |
| Exhaust Manifold Casting - Front                      | Sensor, Intake Boost Pressure                           | DEF Dosing Module   DEF Injector   DEF Module Harness   |                               |
| Exhaust Manifold Casting - Middle                     | (aka Intake Manifold & Temperature)                     | <b>SCR Assembly:</b>  |                               |
| Exhaust Manifold Casting - Rear                       | Sensor, Intake Temperature                              | SCR Temp Sensors   NOx Sensors   SCR Catalyst   |                               |
| Exhaust Manifold Joint Seals, Gaskets, Wraps or Rings | Sensor, Intercooler Temperature                         |   |                               |
| Flywheel  | Sensor, Turbocharger Speed                              |   |                               |
| Flywheel Housing                                      | Sensor, Water Pump Speed                                |   |                               |
| Fuel Hand Primer Pump                                 | Towing (Includes Split Towing as Required by            |   |                               |
| Fuel Lift Pump  | state law to the nearest authorized                     |   |                               |
| Fuel Filter Housing                                   | dealer)   |   |                               |
| Fuel Injectors (Cylinder Injectors)                   | Thermostat (Coolant)                                    |   |                               |
| Fuel Lines (High Pressure)                            | Thermostat Housing (Coolant)                            |   |                               |
| Fuel Lines (Low Pressure)                             | Sensor, Pressure/Temperature/                           |   |                               |
| Fuel Lines (Return)                                   |   |   |                               |
